Dedication

The retirement of a teacher of long and valued service took place in February, 1955. Our faculty and student body incurred a genuine loss when Mrs. Florence Bryant of the Mathematics Department ended a teaching career which covered a span of forty years.

Her boundless energy, thoroughness, helpful friendliness, and unstinting devotion to duty will always be remembered by her former colleagues and students. Mrs. Bryant has contributed to the growth and developemnt of the youth of Pulaski for the past decade. She is favorably remembered also in this area for many years of service in the high schools at Phoenix and Parish.

We, the 1955 Crimson and Blue Staff, wish her well and proudly dedicate this yearbook to her.

Seniors

Senior Class History

We, the class of 1955, began our school days in the year 1943. Those of us who began school in Pulaski had as our teacher Miss Hinman. Participating in the kindergarten band and taking a train ride to Richland were the "highlights" of that year.

In first grade we were divided into two sections with Miss Morenus and Miss Dorr as our teachers. It was in this year that we discovered that school was not all play. Miss Andrews and Miss Hart were our second grade teachers.

In third grade, under the supervision of Miss Spink and Miss Nichols, we had many nice parties. Fourth grade was taught by Miss White and Mrs. McNett.

Miss Scanlon and Mrs. Wilder led us through the fifth year of our school days. Our class held a picnic at Selkirk Shores State Park.

In sixth grade, our class began to grow up. That year we moved "upstairs" where the high school classes were held. Mrs. Carl and Miss Rogers were our teachers.

Seventh and eighth grades proved to be very exciting in our lives. We started passing from class to class and had a different teacher for each subject. Eighth grade graduation gave everyone the chance to receive his diploma and many won prizes. Class officers were elected for the first time.

In our freshman year the main event was Freshman Initiation. The "highlight" of this day was a wonderful reception held in our honor that evening. Miss Smith was class advisor.

During our sophomore year, the Pepsi-Cola sales at the various sports events proved to be very profitable. Mrs. Bryant was our class advisor.

Under the direction of Miss Wood, we as juniors, held the annual Junior Prom. At the Prom, appropriately named, "The Stardust Fantasy," we enjoyed the music of Dick Martin's orchestra. Class rings were ordered during the Junior year.

In this, our final year of school, we elected Fred Dawley president, Betty Richardson vice president, Caroline Gray secretary, and Fred Learned treasurer.

We, the class of 1955, want to extend our very best wishes and good luck to the members of the faculty and to the classes which are to follow us.

The members of the Girls' Athletic Council (better known around school by its initials, G.A.C.) have had a busy and successful year. Starting things off with a bang, the new members were initiated and welcomed into the organization.

The highlight of the year, as usual, was the Fun Fest. To earn money for that gala occasion, the girls sold popcorn at basketball games, and also sold pencils with the basketball schedule inscribed thereon. All in all, we have had a highly successful 1954-55 season.

The Varsity Club has been engaged in several money-raising activities during the past year. The purpose of the fund was to raise the club contribution toward the purchase of varsity sweaters and to present a trophy for the most outstanding feat in sports for the 1954-55 school year.

Among the highlights of Varsity Club programs were the Cayuga Singing Waiters from Cornell University and the Salt City Five with Bill Alger, former P.H.S. student, presiding with the baton. Money was also raised by the sale of candy at basketball games. A successful year was the result of an enterprising membership and the experienced guidance of Mr. Youker.
